CORPORATE MEMBERSHIP APPLICATION

Corporate Membership is open to corporate bodies and the Society both welcomes the participation of, and relies upon the support of, companies and organisations that are either Korean in origin or that have interests in Korea and Korean related business. Corporate members are entitled to send four of their employees or representatives to all the Society's events at member's rate. Others are welcome at guest rates. People in business already account for a high proportion of the total membership and this is still growing. Many of the Society's activities provide an excellent forum for such people to meet one another.

The annual subscription for a corporate member is £50.00. There is no membership joining fee. Annual subscriptions are payable on joining and on 1 January in each subsequent year.

Please complete this Application form and pay the first subscription by means of a cheque made payable to **The Anglo-Korean Society** to the Membership Secretary:
