## **Treasurer's Report for Year Ending 31 December 2009**

Thanks to the continuing generous support of our sponsors and the small increase in the membership fee the Society is now in a very strong financial position with some £24,000 in the bank at the year end.

Your committee will be considering the use of some of this money to further the aims and objectives of the Society.

Subscription income for the year was £3400 and part of this together with some of the income from our sponsors was utilised to subsidise events for the benefit of members. It is now fair to say that attendance at events more than pays for your subscription.

Due to administrative problems at BAKS no bursaries were paid in the year but consideration will be given to paying increased bursaries in 2010 if the need arises and suitable candidates are identified.

Communication with members is now mainly via the web site, which is proving very popular, and Email thereby reducing our administration expenses.

The surplus at the year end was £9898 which was virtually due to our sponsors support.

Membership at the 31<sup>st</sup> December was:-

Ordinary Members	155
Corporate Members	17
Life Members	10
	182
